Subject: Microsoft Settlement

It is my opinion that Microsoft's business practices are anti-competitive and that the United States Federal Government needs to take action. Microsoft's practices squash good businesses and products, and stunt technological progress. Its grievances have crossed beyond the legal limit and are hurting our economy and community. Microsoft's own proposed settlement is not only ineffective at solving the basic problems, but is actually beneficial to their position and furthers their monopoly in several markets. Please STOP Microsoft's anti-competitive behavior with action that will make a lasting impression, remedy those harmed, and improve our enonomy.

Thank you.

Sincerely,

Nathan Clegg
